

20W-50 EURO SHIELD | HOLLAND

EURO SHIELD 20W-50 is a high-quality multigrade engine oil developed to provide dependable lubrication and protection under demanding operating conditions. Its carefully balanced formulation offers strong resistance to oxidation, maintains a stable lubricating film at high temperatures and helps protect against wear, corrosion and deposit formation.

APPLICATIONS

Suitable for petrol and diesel engines in passenger cars and light commercial vehicles, including naturally aspirated and turbocharged engines. EURO SHIELD 20W-50 is particularly suited for vehicles requiring a higher-viscosity engine oil meeting the specified ACEA, API and manufacturer performance levels.
