PASSENGER CAR ENGINE OILS

We Supply Engine Oils in 60- and 210- liter barrels, suitable for a wide range of applications Our bulk oil solutions are ideal for workshops, fleet operators and industrial users seeking efficiency, consistency and cost-effective maintenance.

5W-30 ENGINE OIL

210L

5W-30 is a fully synthetic Mid SAPS motor oil suitable for both petrol and diesel engines. It is especially suitable for EURO 4 Opel and Mercedes Benz vehicles with particulate filters. It is also suitable for all VAG group engines with normal oil drain intervals.

Item Number: HV60001

10-W40 ENGINE OIL

210L

10W-40 is based on high-quality solvent refined mineral and synthetic base oils. This versatile motor oil is recommended for petrol and diesel engines, with or without turbocharging, in passenger cars and delivery vans.

Item Number: HV60004

BEST QUALITY MADE IN THE NETHERLANDS

5W-20

Optimized for modern engines requiring enhanced fuel efficiency and reliable low-friction performance.

Item Number: HV10005 210L

5W-30

Designed for fuel efficiency, smooth performance, and extended engine protection in modern vehicles.

Item Number: HV10001 210L

5W-40

Delivers strong protection and stable performance under both daily and demanding driving conditions.

Item Number: HV10002 210L

5W-50

Ensures maximum protection and reliability in high-performance and high-temperature engine environments.

Item Number: HV10003 210L

10W-40

Universal engine oil for petrol and diesel engines, with or without turbo. Suitable for use in passenger cars and vans.

Item Number: HV10010 210L

0W-20

Engineered for maximum fuel savings and advanced protection in next-generation engine technologies.

Item Number: HV10020 210L

0W-30

Engineered for maximum fuel savings and advanced protection in next-generation engine technologies.

Item Number: HV10006 210L

0W-40

Offers superior protection and performance in both extreme cold and high-temperature conditions.

Item Number: HV10007 210L

BEST QUALITY MADE IN THE NETHERLANDS

PASSENGER CAR ENGINE OILS

Holland Lubricants offers the most commonly used motor oils in key viscosity grades. Several products have official OEM approvals and meet the technical requirements of modern engines.

The complete range is available in 1L, 4L, 5L, 20L, 60L, 210L and 1000L containers, making it suitable for both retail and professional use.

HOLLAND 5W30 - LONGLIFE PLUS

Suitable for petrol and diesel engines, with or without turbo. Ideal for modern passenger cars with diesel particulate filters.

- ACEA: C3
- API: SN / CF
- BMW Longlife-04
- MB 229.31 / 229.51 / 229.52 / 226.52
- GM DEXOS 2
- GM DEXOS D

Item Number: HJ10012

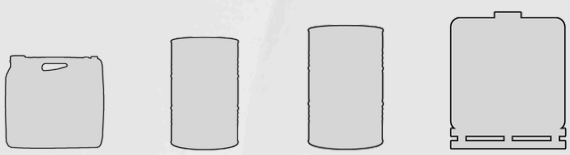

HOLLAND 0W20 - POWER MOTION

Suitable for petrol and diesel engines, with or without turbo. For modern vehicles requiring VW 508.00 / 509.00 specifications.

- MID-SAPS OIL
- ACEA: C5
- Porsche C20
- FORD WSS-M2C956-A1
- VW 508.00 / 509.00
- VW TL 52577

Item Number: HJ1013

ALSO AVAILABLE IN:

20 LTR. 60 LTR. 210 LTR. 1000 LTR.

ATF - GEAR OIL

HOLLAND | ATF COLLECTION

Holland Lubricants offers a complete ATF collection for automatic transmissions and different vehicle applications. Our ATF products are developed for smooth performance, reliable protection and long service life.

The complete range is available in 1L, 4L, 5L, 20L, 60L, 210L and 1000L containers, making it suitable for both retail and professional use.

ATF GUARDMATIC - DEXRON IIIG

Suitable for automatic transmissions, power steering systems, torque converters and other applications requiring high-performance ATF fluid.

- Allison C4 / TES 295
- GM Dexron IIIG / DEXOS 2
- MB 236.1 / 236.5 / 236.6 236.7 / 236.9
- ZF TE-ML 02F/03D/04D/09/11A...

Item Number: HAT1001

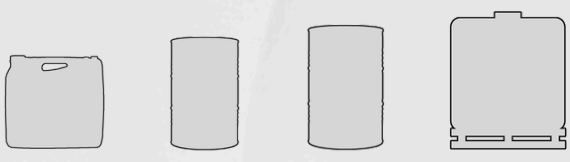

ATF GUARDMATIC - DEXRON VI

Suitable for automatic transmissions, power steering systems, torque converters and other equipment requiring Dexron IID, IIE, IIIF or IIIG ATF.

- ACEA: C2/C3
- API: SN/CF/SN Plus
- GM Dexron II/IID/IIE/IIIG/IIIH/VI
- ZF 3-/4-/6-/8-/9-speed
- ZF TE-ML 05L/09/11A/B/21L
- Allison C3/C4 / TES-389/468

Item Number: HAT1002

ALSO AVAILABLE IN:

20 LTR. 60 LTR. 210 LTR. 1000 LTR.

BEST QUALITY MADE IN THE NETHERLANDS

HYDRAULIC 46

1L

Hydraulic 46 is a professional EP hydraulic oil, formulated with high-quality base oils and performance additives. It ensures reliable operation, stable viscosity, and strong protection for hydraulic systems under demanding conditions.

Item Number: HH1046

ALSO AVAILABLE IN:

20 LTR. 60 LTR. 210 LTR. 1000 LTR.

PROFESSIONAL HYDRAULIC OIL

Our hydraulic oils are specially formulated for heavy-duty machinery and demanding systems, offering high performance, water resistance, and reliable protection.

BEST QUALITY MADE IN THE NETHERLANDS

HYDRAULIC 32 AZ

High-performance hydraulic oil for equipment, lubrication systems, and vacuum pumps under demanding conditions.

Item Number: HH1032AZ 1L

HYDRAULIC 32

Oil for heavy-duty equipment and general lubrication, including gearboxes, bearings, and vacuum pumps.

Item Number: HH1032 1L

HYDRAULIC 46AZ

Hydraulic oil for heavy-duty equipment, lubrication systems, and vacuum pumps under demanding conditions.

Item Number: HH1046AZ 1L

HYDRAULIC V46

Hydraulic fluid for earthmoving equipment and installations working under high pressure and varying temperatures.

Item Number: HH1046V 1L

HYDRAULIC V22

Hydraulic fluid for heavy-duty systems and earthmoving equipment under high pressure and wide temperatures.

Item Number: HH1022V 1L

HYDRAULIC V15

Hydraulic fluid for heavy-duty systems and earthmoving equipment under high pressure and wide temperatures.

Item Number: HH1015V 1L

HYDRAULIC 68

Hydraulic fluid for heavy-duty systems with high pressure and water resistance.

Item Number: HH1068 1L

HYDRAULIC 68AZ

Reliable, high-performance hydraulic oil for demanding systems, water-tolerant and suitable for general lubrication.

Item Number: HH1068AZ 1L

BEST QUALITY MADE IN THE NETHERLANDS

HYDRAULIC V32

High-quality hydraulic fluid for heavy-duty earthmoving equipment and permanent installations, resistant to water and high pressure.

Item Number: HH1032V

1L

HYDRAULIC 100

Versatile hydraulic oil for heavy-duty equipment, gearboxes, bearings, and general lubrication, including vacuum pumps (excl. turbines).

Item Number: HH1100

COOLANT -36 UNIVERSAL LONGLIFE

5L

Universal -36 is an ethylene glycol-based long-life coolant developed to meet OEM requirements. It ensures reliable cooling performance for petrol and diesel engines while providing year-round protection against freezing down to -36°C.

Item Number: HC60001

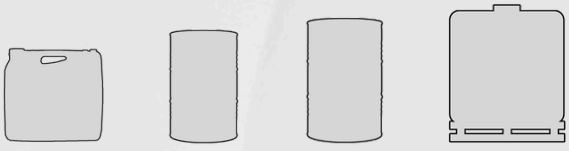

ANTI-FREEZE STANDARD

5L

Holland Anti-Freeze Standard is a NAP-free, monoethylene glycol coolant suitable for year-round use in petrol and diesel engines, including aluminium alloys. Fully compatible with metals, plastics, and rubbers, ideal for light-duty automotive applications.

Item Number: HC60004

ALSO AVAILABLE IN:

20 LTR. 60 LTR. 210 LTR. 1000 LTR.

BEST QUALITY MADE IN THE NETHERLANDS

COOLANT -36˚C STANDARD

Ready-to-use, NAP-free coolant protecting engines down to -36°C reliably.

Item Number: HC60003 5L

COOLANT -26˚C STANDARD

Reliable year-round coolant for petrol and diesel engines, protecting against frost.

Item Number: HC70002 5L

COOLANT -36˚C PSI-OAT PSA

Long-life coolant specially formulated for PSA engines, protecting down to -36°C.

Item Number: HC60006 5L

COOLANT -36˚C SI-OAT BMW

BMW-approved long-life coolant ensuring year-round engine and metal protection.

Item Number: HC60005 5L

COOLANT -36˚C EVO PSI OAT

Designed for modern engines, EVs, and VAG vehicles, compatible with OAT and Si-OAT coolants.

Item Number: HC60008 5L

COOLANT -36˚C G12++ SI-OAT

Designed for VW, MAN, and Mercedes engines, delivering long-life cooling and superior corrosion protection.

Item Number: HC60007 5L

COOLANT -36˚C ORGANIC LONGLIFE

Designed for VW and Renault engines, offering long-life, silicate-free corrosion protection.

Item Number: HC60009 5L

COOLANT -26˚C ORGANIC LONGLIFE

Premium OAT coolant, silicate-free, meeting VW TL-774 F/D and Renault Type D specifications.

Item Number: HC60010 5L

BEST QUALITY MADE IN THE NETHERLANDS

CUSTOM COOLANTS & ANTI-FREEZE FOR EVERY INDUSTRY

We supply coolants and antifreeze in any packaging, suitable for automotive, industrial, and fleet applications, exactly according to your requirements.

COOLANT HEAVY DUTY - LONGLIFE OAT -36˚ C

1000L

Premium long-life coolant for diesel engines, designed to protect against corrosion, cavitation, and wear. Ideal for heavy-duty and light-duty applications, it safeguards cast iron, aluminium, brass, copper, and steel, delivering reliable, long-term engine performance.

Item Number: HC60015

COOLANT STANDARD -26˚

1000L

Long-life coolant for petrol and diesel engines, designed for light-duty automotive use. Protects against corrosion, overheating, and freezing, delivering reliable year-round engine protection and peace of mind for workshops and fleet operators.

Item Number: HC60002

BEST QUALITY MADE IN THE NETHERLANDS

SCREENWASH WINTER -20˚C

5L

Universal -36 is an ethylene glycol-based long-life coolant developed to meet OEM requirements. It ensures reliable cooling performance for petrol and diesel engines while providing year-round protection against freezing down to -36°C.

Item Number: HC60001

READY TO USE

SCREENWASH CONCENTRADE

5L

Holland Antifreeze Standard is a NAP-free, monoethylene glycol coolant suitable for year-round use in petrol and diesel engines, including aluminium alloys. Fully compatible with metals, plastics.

Item Number: HC60004

SUMMERWASH

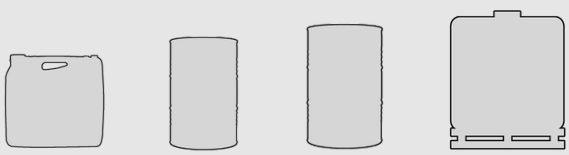

5L

Universal -36 is an ethylene glycol-based long-life coolant developed to meet OEM requirements. It ensures reliable cooling performance for petrol and diesel engines while providing year-round protection against freezing down to -36°C.

Item Number: HC60001

READY TO USE

Item Number: HB10010 20L

10W-50

Long-life coolant specially formulated for PSA engines, protecting down to -36°C.

Item Number: HB60014 20L

10W-60

Maximum protection for high-performance engines operating under extreme stress and temperatures.

Item Number: HB10011 20L

15W-40

Durable protection and consistent performance for engines operating under heavy load conditions.

Item Number: HB10013 20L

20W-50

Ideal for older engines, offering strong protection and reduced oil consumption under load.

Item Number: HB10012 20L

Eco-friendly Bag-in-Box packaging minimizes plastic waste and simplifies use. Quick to dispense, easy to store, and fully collapsible, it reduces expenses and increases workshop profitability.

BEST QUALITY MADE IN THE NETHERLANDS

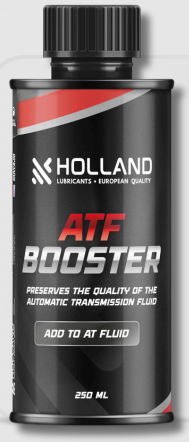

ATF CLEANER+

250ML

Holland ATF Cleaner removes internal contamination before the ATF change. This helps the new fluid perform better, ensures smoother gear changes and delivers long-lasting results that your customers can immediately notice.

Item Number: HA70001

ATF BOOSTER+

250ML

ATF Booster is a high-quality additive that reduces friction and wear. It provides smoother gear changes and extends the service life of the transmission.

Item Number: HA70002

BEST QUALITY MADE IN THE NETHERLANDS

PETROL CLEANER+

Petrol Cleaner is a high-performance fuel additive that cleans the entire fuel system, improving combustion, reducing emissions, and restoring engine performance.

Item Number: HA70005

250ML

OCTANE BOOSTER

Holland Octane Booster boosts octane by 2–5 points, preventing engine knocking and delivering smoother, more efficient performance.

Item Number: HA70006

250ML

THERMO NO-LEAK

Thermo Leak Stop quickly seals hairline cracks and microscopic leaks in radiators and cooling systems, helping restore performance and prevent future leaks.

Item Number: HA70003

250ML

THERMO BOOSTER

Holland Thermo Booster keeps cooling systems clean and running at optimal performance, compatible with all antifreeze and coolant types.

Item Number: HA70004

250ML

DIESEL CLEANER

Holland Diesel Cleaner removes deposits throughout the diesel fuel system, restoring injector performance and optimizing fuel efficiency.

Item Number: HA70007

250ML

DPF CLEANER

DPF Cleaner effectively cleans and regenerates clogged DPF systems without disassembly, reducing soot buildup and restoring performance.

Item Number: HA70009

250ML

CETANE BOOSTER

Cetane Booster increases the cetane number by 2–5 points, improving ignition quality for smoother engine performance and easier cold starts.

Item Number: HA70008

250ML

ENGINE CLEANER

Engine Cleaner cleans the engine from the inside, removes sludge and thick oil, and restores efficiency—added before an oil change for fast, effective results.

Item Number: HA70011

250ML

BEST QUALITY MADE IN THE NETHERLANDS

ENGINE NO-LEAK

Engine No-Leak is a premium multi-function additive that improves oil flow, keeps the engine clean, seals minor leaks, and reduces friction for smoother, more reliable performance.

Item Number: HA70012 250ML

ENGINE BOOSTER

Engine Booster keeps the entire lubrication system clean, removing varnish and deposits from valves, piston rings, and finely machined engine parts.

Item Number: HA70010 250ML

BEST QUALITY MADE IN THE NETHERLANDS

POWER CLEANER+

200ML

Power Cleaner is a high-performance, eco-friendly degreaser that quickly removes grease and dirt from bicycle drivetrains and lightly soiled parts. Its biodegradable formula is economical in use and safe for paints and rubber.

Item Number: HG70010

LEATHER CLEANER+

200ML

Leather Cleaner is a powerful cleaner for all leather surfaces, removing dirt, oils, and grease while restoring and protecting the material for a professional finish.

Item Number: HG70009

BEST QUALITY MADE IN THE NETHERLANDS

GLASS CLEANER

Glass Cleaner provides streak-free cleaning for windows and mirrors, specially formulated for use with glass coatings to remove residues and boost water repellency.

Item Number: HG70001

200ML

CERAMIC SHIELD

Ceramic Shield cleans, protects and enhances painted surfaces and mirrors. It repels water and dirt while leaving a long-lasting shine.

Item Number: HG70002

200ML

SHOWROOM SHINE

Showroom Shine creates an instant deep gloss and photo-ready finish, giving vehicles a sharper and more attractive look on every photo.

Item Number: HG70004

200ML

COCKPIT SPRAY

Cockpit Spray cleans, protects, and restores interior and exterior plastic surfaces, leaving a dust-resistant satin finish that keeps vehicles looking showroom-fresh.

Item Number: HG70003

200ML

WHEEL CLEANER

Wheel Cleaner is a powerful degreaser that removes grease immediately, providing fast, professional-grade cleaning for cars, bikes, and motorcycles.

Item Number: HG70005

200ML

TYRE PROTECT

Tyre Cleaner instantly removes dirt while safely treating all rubber and plastic surfaces, leaving tyres and trims with a long-lasting, showroom-fresh shine.

Item Number: HG70006

200ML

SURFACE PROTECT

Textile Protect provides professional, long-lasting protection for all vehicle textiles, preserving breathability and maintaining a clean, showroom-ready appearance.

Item Number: HG70008

200ML

TEXTILE CLEANER

Textile Cleaner 755 efficiently cleans carpets, furniture, and workwear, tackling grease, dirt, smoke, and fresh stains while remaining eco-friendly and safe for users.

Item Number: HG70007

200ML
